Hi Mark,

I believe this is the most recent work plan for 3-20. If you think this is incorrect, please let me know.

Thanks,

I believe it is WA 3-20. Is this correct? We went back to the original one and cancelled the new one.

This is WA 3-22, correct? If so I believe we are still waiting to receive it from NatureServe.

Hi Ana,

Can you send me the final Work Plan produced by NatureServe? I think with all the changes that went back and forth, I do not have the most recent version. Thanks.
